Genie Cross-Product Options

Lift Connect®

F A

LIFT CONNECT

Enables efficient fleet management with advanced telematics for maximum productivity and minimal downtime.

Allows quick action through real-time insights and equipment data.

Retrofit kits install easily on telematics-ready Genie units dating back to 2015.

1332736GT
Genie Lift Connect TU700 Global Retrofit Kit. An 8 to 12 pin conversion harness required to install Lift Connect on machines built between 2015 and 2020. Harness kits are machine and serial number specific. Please verify the harness part number you need by visiting: www.genielift.com/en-gb/support/lift-connect

The Retrofit Kit includes TU700 telematics module, mounting bracket and hardware, and 1-year subscription to Lift Connect.

Lift Connect Subscription Renewal

F A

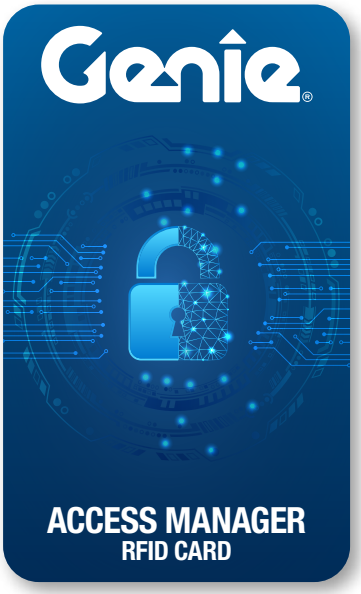

LIFT CONNECT

Access enhanced OEM data to reduce service costs and improve decision-making.

View your data via the APO, Lift Connect Portal, Near Me App, or all combined.

Renew your subscription to stay eligible for future data features and value-added services.

Contact Your Genie Representative
1- to 4-Year Extension
1- to 4-Year Extension + Access Manager

Access Manager™

F

LIFT CONNECT™ ACCESS MANAGER

Improves jobsite security with unique operator codes or Access Manager RFID cards.

Allows machines to start only after an authorised code is entered on the keypad.

Delivers flexibility and control for managing equipment on large or shared jobsites.

An extension harness is required to connect the K300 keypad to the TU700 Lift Connect module and your machine. Please consult the table below for the appropriate harness for your machine.

1333668GT
Access Manager K300 Keypad (compatible with TU700 module only)

1320959GT
Universal Hardware Kit

1332552GT - Wiring Harness
GR™ series, Z®-40 series, Z-30 series, Z-34/22 DC, Z-45 DC

1332553GT - Wiring Harness
GS™-30 series, GS-32 series, GS-46 series, GS-69 RT series, GS-90 series, SX™-105 XC™, SX-125 XC, SX-135 XC, SX-150, SX-180, ZX®-135/70, Z-45 FE, Z-45 XC

1332554GT - Wiring Harness
GS-4046, GS-4047, GS-4655, S®-40 XC, S-45 XC, S-60 XC, S-65 XC, S-80 XC, S-85 XC, S-60 J, S-80 J, Z-60 DC, Z-60 FE, Z-60/37, Z-80/60

Access Manager RFID Card

F

LIFT CONNECT™ ACCESS MANAGER

Provides secure access control to equipment through an RFID-enabled card.

Compatible with Lift Connect™ Access Manager and programmable via the online portal.

Ensures only authorised, trained operators can run equipment while supporting new rental opportunities.

1306830GT
Applicable on all models that have installed Access Manager

Genie Boom Lift Accessories

4 m | 13 ft Platform

A

Expands the working area for renovation, painting, and cleaning.

Supports up to 272 kg | 600 lb for two operators.

Includes three sliding mid-rail entries and stays within transport limits when used with the Off-Center Transport Lock.

1295770GT
To be ordered with the Off-Center transport lock kit:
1309686GT - S®-45 XC™, S-45 TraX™
1296096GT - S-65 XC, S-65 TraX
1312367GT - S-85 XC
1404522GT - S-85 XC FE, S-85 XC E

Auxiliary Rail

F A

Provides an added layer of protection for operators at height.

Mounts quickly to existing platform rails.

Increases operator confidence by adding an extra layer of protection.

1291495GT
All Genie S and Z® boom lifts with 1.83 m | 6 ft tri-entry platform

1291496GT
All Genie S and Z boom lifts with 2.44 m | 8 ft tri-entry platform

Light Package

F A

Illuminates low-light areas with two chassis and two platform lights.

Enhances visibility for night or indoor operation.

Helps maintain productivity in poor lighting conditions.

1310243GT
Z-45 XC

1310244GT
All XC Models

1310245GT
SX™-150, SX-180

1310246GT
SX-135 XC

1310248GT
Z-62/40

Factory-Fit Only
Z-30/20N series, Z-34/22 series, Z-45/25 series, Z-51/30J RT, Z-60 DC, Z-60 FE, Z-80/60, ZX®-135/70

Load Sense Calibration Kit

A

Calibrates load systems up to 454 kg | 1,000 lb without added weights.

Completes calibration in under 10 minutes with one person.

Saves set-up time while ensuring accurate performance

1305508GT
All Genie S boom lifts, Z-45 XC, Z-45 FE, Z-45 DC, Z-60 FE, Z-60 DC, ZX-135 XC

Platform Control Box Cover

F A

Shields the control box from dust, dirt, and debris.

Helps keep controls clean and reliable.

Extends equipment life and reduces downtime.

119795GT
S-45 XC, S-65 XC, S-85 XC, SX-105 XC, SX-125 XC, SX-135 XC, SX-150, SX-180, Z-30/20 N, Z-30/20N RJ, Z-34/22 series, Z-45/25 series, Z-45 XC, Z-60 DC, Z-60 FE, Z-62/40, Z-80/60, ZX-135/70

Contact Alarm

F A LIFT GUARD™

Stops boom functions when the operator makes contact with the activation cable.

Alerts ground personnel immediately for a quick response.

Adds an additional layer of protection and can enhance safe work practices.

1.83 m | 6 ft - 2.44 m | 8 ft platforms:
1279134GT - ALC1000
1279135GT - NON-ALC1000
1.17 m | 3 ft 10 in - 1.42 m | 4 ft 8 in platforms:
1279136GT - NON-ALC1000
All S and Z boom lifts

Fall Arrest Bar

F A LIFT GUARD™

Grants operators greater freedom of movement for tasks performed outside the platform on adjacent structures, while remaining securely attached.

A sliding horizontal track safely extends the working area around the platform perimeter.

Reduces platform capacity by 23 kg | 50 lb and is not compatible with the panel cradle option.

1261022GT
All 2.44 m | 8 ft platform Genie boom lifts
1261023GT
All 1.83 m | 6 ft platform Genie boom lifts

Lanyard Alert

A LIFT GUARD™

Alerts operators when the lanyard is not properly attached. Advanced configuration shuts down all boom functions.

Helps reinforce correct fall-protection practices.

Supports compliance with jobsite safety requirements.

1333723GT - Kit, 2-Pin, 12V
1333725GT - Kit, 3/4-Pin, 12V
Available on all S and Z boom lifts manufactured after 2023.
Contact Genie Representative

Operator Protective Structure (OPS)

A LIFT GUARD™

Bolts directly to 1.83 m | 6 ft or 2.44 m | 8 ft platforms.

Protects operators from overhead obstacles while maintaining visibility.

Made of high-strength tubular steel for durability.

219158GT
S-60 DC, S-60 FE, S-60 J, S-85 XC, S-80 J, SX-105 XC, SX-125 XC, SX-135 XC, SX-150, SX-180, Z-45 DC, Z-45 FE, Z-45/25J RT, Z-45 XC, Z-51/30J RT, Z-60 DC, Z-60 FE, Z-62/40, ZX-135/70

Platform Full Mesh

F A LIFT GUARD™

Covers all four sides of the platform for full containment.

Prevents small materials from falling while maintaining visibility.

Supports cleaner and safer work environments.

1.83 m | 6 ft platforms:
1286622GT - Access with side gate
1290895GT - Access with front gate

2.44 m | 8 ft platforms:
1283049GT - Access with side gate
1290896GT - Access with front gate
All Genie boom lifts (Except Z-45/25J RT, SX-150, SX-180)

Platform Half Mesh

F A LIFT GUARD™

Covers the lower half of the platform from floor to midrail.

Contains tools and materials without restricting visibility.

Helps reduce dropped-object hazards.

1.83 m | 6 ft platforms:
1275282GT - Access with side gate
1290893GT - Access with front gate

2.44 m | 8 ft platforms:
1275281GT - Access with side gate
1290894GT - Access with front gate
All Genie boom lifts (Except Z-45/25J RT)

White Noise Alarm

F A LIFT GUARD™

Emits a directional, non-intrusive sound instead of a tonal alarm.

Reduces noise impact on sensitive jobsites and night shifts.

Maintains clear safety alerts with minimal disturbance.

Contact your Genie Representative
All Genie boom lifts (excluding Z-40 models)

Panel Cradle

F A LIFT-TOOLS™

Lifts and holds windows, drywall, and panel materials for overhead installation.

Supports up to 113.4 kg | 250 lb.

Mounts on the end or side of the platform, allowing placement outside the guard rails.

1299220GT
S-45 XC, S-65 XC, S-65 TraX, S-85 XC, SX-105 XC, SX-125 XC, SX-135 XC, Z-45 XC, Z-45 DC, Z-45 FE, Z-60 DC, Z-60 FE, Z-62/40, Z-80/60, ZX-135/70

**Not compatible with bolt-on platform toeboards. For platforms with bolt-on toeboard and for most platforms manufactured before 2016, use P/N 77683GT*

Pipe Cradle

A LIFT-TOOLS™

Carries and holds pipes, conduit, and ducting up to 15 cm | 6 in in diameter.

Secures materials with a durable nylon strap for controlled indoor handling.

Integrates easily to support efficient work at height.

85300GT*
S-45 XC, S-60 J, S-65 TraX, S-65 XC, S-80 J, SX-105 XC, SX-125 XC, SX-135 XC, SX-150, SX-180, Z-30/20N series, Z-34/22 series, Z-45/25 series, Z-45 XC, Z-51/30J RT, Z-60 DC/FE, Z-62/40, Z-80/60, ZX-135/70

**Single item set; please order two items for first-time installation.*

Tool Tray

F A LIFT-TOOLS™

Provides a convenient, secure place for tools and fasteners.

Reduces clutter and tripping hazards on the platform.

Helps operators stay organised and focused on the task.

1289552GT
Standard on all S and Z boom lifts from the Z-45 and larger

Genie Scissor Lift Accessories

Lithium-Ion Battery Option

F

Charges faster than the standard battery to reduce downtime.

Maintenance-free design with UL certification, tested against risks of fire, electric shock, and explosion during use and transportation.

Performs reliably from 49°C | 120° F to -29°C | -20°F with built-in heaters.

Zone Lighting

F A LIFT GUARD

Bright illumination improves operator awareness of the perimeter and signals nearby workers if they enter a machine's clearance zone.

Durable, low-maintenance design minimises downtime and replacement costs.

Genie Aerial Work Platform Accessories

Descent Alarm Package

F A

Emits a visual and audible alert when the machine descends.

Increases awareness for operators and ground personnel.

Helps improve jobsite communication and coordination.

100696-SGT
All AWP™ models

Flourescent Tube Caddy

A

Keeps multiple fluorescent tubes organised in one location.

Reduces breakage during handling or transport.

Frees platform space for other tools or materials.

38226GT
All AWP and GR™ models

Standard Base

F

Serves as a versatile model for everyday applications.

Provides a simple, reliable design for general tasks.

Supports routine work across multiple environments.

Factory-Fit Only
All AWP models

Gated Standard Platform

F A

Provides step-in entry for easier operator access.

Offers a stable work area for multiple applications.

Measures 69 x 66 cm | 27 x 26 in.

Factory-Fit Only
All AWP models

Standard Platform

F

Provides a general-purpose platform with sliding mid-rail entry.

Supports versatile use across various applications.

Measures 69 x 66 cm | 27 x 26 in.

Factory-Fit Only
All AWP models (Except on units with narrow base) and all GR models

Gated Narrow Platform

F

Provides compact access through standard ceiling tiles.

Supports work in tight or restricted indoor spaces.

Measures 66 x 51 cm | 26 x 20 in.

Factory-Fit Only
All AWP models

White Noise Alarm

Emits a directional, non-intrusive sound instead of a tonal alarm.

Reduces noise impact on sensitive jobsites and night shifts.

Maintains clear safety alerts with minimal disturbance.
