

# TECH TIPS

Service Call:

**How to activate choke on a Gasoline  
model TMZ50/30**

Tools Needed:

No tools required

Model:

**TMZ50/30**

## Tech Tips Safety Rules

### **Danger**

Failure to obey the instructions and safety rules in the appropriate Operator's Manual and Service Manual for your machine will result in death or serious injury. Many of the hazards identified in the operator's manual are also safety hazards when maintenance and repair procedures are performed.

### **Do Not Perform Maintenance Unless:**

- You are trained and qualified to perform maintenance on this machine.
- You read, understand and obey:
  - manufacturer's instructions and safety rules
  - employer's safety rules and worksite regulations
  - applicable governmental regulations
- You have the appropriate tools, lifting equipment and a suitable workshop.

The information contained in this tech tip is a supplement to the service manual. Consult the appropriate service manual of your machine for safety rules and hazards.

## Step 1

On models with LED diagnostic readout: Choke function is activated by pushing engine start button and slow function speed select button shown in red.

## Step 2
